[Despatch Abstract.]

Buildings - Rent - Bellary - Quarters of the
conservation of forests. Revised ~~Haba~~
statement. Approved.

PROCEEDINGS
MEMORANDUM OF THE Chief Engineer, P.W.D.
Orsement.

W. 6932
16.11.25

Post Box No. 410 Telegraphic Address C.E.

Name G. Molesworth, Esq., Offg. Chief Engineer, Roads & Build

No. 4144Ac., dated 10th November 1925, 1925.
25-1

Short title Buildings - Bellary - Forest Conservator's quarters - Remission of water tax.

LEAD—the following:—

From the Chief Conservator of Forests, L.Dis.No.7095 dated 19th October 1925.

Endorsement by the Superintending Engineer, Madras Circle, No.19697 dated 28th October 1925.

(W) -----

Submitted to Government for orders.

2. G.O.No.1011/ dated 13th July 1925 does not apply to this case.

Under Section 81 (1)(a) of the Madras District Municipalities Act, the Municipal Council, Bellary, can levy a water tax to provide for expenses connected with the construction, maintenance repair, extension or improvement of water works heretofore provided or hereafter to be provided. The Government as owner of the building is liable to pay the tax.

Under para 381, Public Works Account Code, Municipal rates and taxes on public buildings occupied as residences, when payable by Government, are chargeable to the maintenance estimates of the buildings concerned. The additional tax will, therefore, have to be taken into account in calculating the rent of the building.

[Signature]
for Chief Engineer, P.W.D.
12.11.25

To the Secretary to Government, Public Works Department.

Copy of letter from the Conservator of Forests, II Circle, Bellary, Ref. M.5-1535/24 dated 4th October 1925 to the Secretary to the Government, P.W.D., Madras through the Superintending Engineer, Madras Circle, and the Chief Conservator of Forests, Madras.

Subject:--Rent - Government residence assigned to the Conservator of Forests Bellary.

The standard rent fixed for the Government residence assigned to me is Rs. 156/- per month and this is abnormally high when compared with the rents charged for suitable private bungalows available in the Cantonment at Rs. 30/- to 50/- per month.

1. A well has been provided in the compound of my bungalow for supply of water. Owing to its being at a considerable distance from the bungalow and of great depth and owing to the fact that the pump installed by the P.W.D. has been out of order for several years past, I have to engage special men and bullocks to draw water and get it to the bungalow thereby incurring additional expenditure of some Rs. 25 to 30 per month. In spite of the high rent paid, part of which is of course for the well and the additional amount spent by me I am not getting an efficient water supply.

2. Now I am informed that a further increase of Rs. 99-8-0 per annum will be added to the rent of the bungalow towards water tax payable by the P.W.D. to the Municipality in prospect of a supply to the town and that this is chargeable in accordance with para 2 of G.O. No. 1239/Local and Municipal dated 8-4-25. (P)

3. Under these circumstances, I submit that to charge me this Rs.99-8-0 for water supply of which I get no benefit at all, in addition to the charging me the proportion of rent on the bungalow which is attributable to the original capital cost of the well and installation of the useless pump which provides me even as it is with an insufficient extremely extensive water supply is most inequitable.

4. I would therefore request that orders be passed remitting the payment of this annual levy of Rs. 99-8-0 on account of water tax.

Endorsement thereon by the Chief Conservator Forests, ~~xx~~ L.Dis.No.7095, dated 19th October 1925

F o r w a r d e d.

2. I support the Conservator's request. Until arrangements are made to provide an adequate supply of water proportionate remission of rent may be

sanctioned

sanctioned as per G.O.No. 1011-W dated 13-7-1925.

Endorsement thereon by the Superintending Engineer, Madras Circle, No. 1969-W., dated 28th October 1925.

F o r w a r d e d .

①

2. It is doubtful whether the orders in G.O.No.1011-W dated 13-7-25 are applicable to this case.

3. The increase in rental on account of the inclusion of the annual levy of Rs. 99-8-0 for water tax come to Rs. 2/- per mensem i.e., Rs.15 as against Rs. 156 now payable by the occupant. If any concession is granted in this case, a similar concession will have to be shown in the case of the District Judge's quarters in the same locality.

MEMO No 6932 B/25-1 of 21-11-25

Subject.: Quarters of the Conservator of Forests- Bellary- Remission
of water tax.

C.No.6932 B. From the Chief Engineer, (Roads and Buildings)
No.4144 Ac/25-1, dated 10th November 1925.

The water tax has been rightly taken into account
for the purpose of fixing the rent. If the pump is out
of order the question of reducing the rent proportionate
to the capital value of the installation may be considered
but it should be explained why it has been allowed to be
out of order for several years.

No. 4144.Ac, dated 19th Febr. 1926.
25-3

Sir,

* quarters for the Conservator of Forests,
Bellary - Reference Government Public Works
Department Memorandum No.6932 3/25-1, dated
21st November 1925.

ENCLOSURES 1 data
statement and a
copy of S.D.O's
letter referred

8 PART COPIES

The cost of pumping installation to the
well in the above mentioned quarters, which was
originally charged to the capital cost of the --
building is Rs.344/-. If the cost of the pump is
excluded, there is a reduction of Re.1/- in the
monthly rent for the quarters - Vide data statement
enclosed. The reduced rate of rent may be ordered
to be given effect to from the date of sanction
to the original data statement in G.O. No. 1736-W.
dated 7th November 1925.

ppb-7 infra

A copy of the Sub-Divisional Officer's
letter No.3816 dated 31st December 1925, which
describes the condition of the pump is enclosed.

Quarters of the Conservator of
Forests - Bellary - Remission of water

For Reply

Submitted.

p. i c f 2 The Chief Engineer's view is correct and it seems that no concession can be allowed in this case. A draft order is put up. It may ^{if appd} be sent to Secy Ho.

J. D. ^{Aug} 20.11.25. ^{Alu} 20/1

Why is it considered that the rules in p. 1011 W. L. 13.7.25 are not applicable? Not if it comes to the question of water tax - but as the work is out of use, why should not the rent be reduced? The proportionate amount on the capital value of the work.

h
20.11.25.

In reply

Please see portions marked A+B in the Conservator's letter (p. 2 c f). The well seems to be in use & the Conservator now gets his supply from it. If the pump in the well is out of order "for several

pass pass. ...
did not get P.W.D. to have it put
in order. Go 1011W/25 allows remission
rent only when the well is dry &
unfit for use.

For order
by you.
Alm

Says the water tax has been right
taken in to account for the pump
of fixing the rent - If the
pump is out of use the
question of reducing the rent -
proportionate to the capital
value of the installation might
be considered - but it is to be
why it has been allowed to be
out of order for several years.

r Secy.

Please see the C.E.'s letter at p5c7
d. the S.D.O.'s report at p8c7. ~~Further~~
~~stances reported~~, it is for consideration

The cost of the pump may perhaps
be deducted from the Capital Cost
providence
& the data statement ^{ordered to be} revised in
accordance with the orders in G.O.
No 96 W of 20.1.26 - allowing 2 p.c.
for maintenance. If this is done
the rent will work out to Rs 130 p.c.
as against Rs 158/- now charged. The
revised rent may have effect from date of order.
For orders. Development may also see
the case.
